# MAKE AND HOLD: INVENTORY ASSURANCE PROGRAM

*At Upland Label, we understand how critical it is to have labels ready when you need them.*

*That's why our Make & Hold program keeps your supply chain running smoothly by storing labels until you're ready—ensuring availability without delays while reducing costs.*

## Benefits Include:

***Bulk pricing, lower costs***

*Take advantage of high-speed production runs for cost savings.*

***Quick, on-demand ordering***

*Labels are pre-produced and ready to ship when you need them.*

***Minimal inventory hassle***

*You only need to manage what's in front of you—we'll handle the rest.*

## ONLINE CUSTOMER ORDER PORTAL

With access to our detailed customer portal, you'll always have up-to-date inventory information at your convenience. Review past orders, and manage reorders seamlessly—so you always know what's available.

## DEDICATED SUPPORT FROM UPLAND LABEL TEAM

we're more than just your label provider—we're your partner. But more importantly, we're here for you day and night to support your business. Whether it's a last-minute request or long-term planning, you can count on us to keep your labels—and your business—running smoothly.

With pre-stocked inventory, businesses improve on-time delivery rates by

# 35%

leading to stronger customer relationships.\*
